MEMORANDUM FOR: DCI

STAT

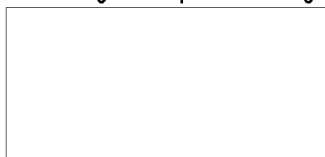

FROM :

SUBJECT : Thoughts on How to Use Vince Davis This Summer

- ✓ 1. Evaluate representative analytic efforts and suggest ways to improve.
  - outside opinion/detached view
  - comments on quality of writing, logic, conclusions, etc.
2. Look at how NITC is shaping up. Suggest ways to strengthen organizationally.
- ✓ 3. Future of Defense Intelligence School. Depending on where we are, look at concept, suggest ways to implement, strengthen organizationally, improve curriculum.
4. Look at Charter legislation. Identify problem areas. Develop tactics for countering/resolving problems.
5. Look at any of the areas where you want to improve cooperation,  Develop specific action plan of goals, initiatives, etc., covering the next 12 months.
- ✓ 6. Look at Agency/IC. Suggest major goals for next 2 years. Where should you be headed? What major, new initiatives should you be starting. I.e., two years from now, what would you like to see the Agency/IC look like? Work up a practical, incremental plan to reach those goals.
